I have reviewed all pages folders 9531783; 9531784; 9531785 and 9531786. I am currently on page 350 on folder 9531787. I have two questionable pages to redact. There is a cell phone number of a CES employee as part of his signature line on an email on two pages. I didn't know if we needed to redact or not.

Please provide an update on your progress by COB Monday 11/10. I need to update management on the number of folders reviewed (by folder number) and the number of pages identified for redaction. Thanks.
